

Greetings teams. Attached is the link for skating orders for Sunday's competition at Crystal Lake. This link shows the skating orders and will show the results. Please share this with other team members, friends and family. **The order on the bar code is the official order**

**of skater.**

Just a reminder: Each team must list all of their skaters. Entryeze sends an email to the skaters or parents asking parents to sign-off on allowing skaters to compete and not holding the rink or the Council liable. **If this is not done skaters cannot skate.** We send reminders to everyone who have not completed this.

The teams are assigned to Locker rooms. Please go to our website, [www.skatingcouncilofillinois.org](http://www.skatingcouncilofillinois.org) to get the locker room schedule. It may change. There will also be sign at registration, and one on each of the locker rooms. These locker rooms are only for putting on skaters and storing your skate bags.

We have five (5) Practice ice sessions. Practice ice is \$10 for 20 minutes. Please request practice ice by emailing May Wiza [mayfsc@aol.com](mailto:mayfsc@aol.com). You **must** indicate which section you want or we cannot put you in a session.

We look forward to seeing everyone next Sunday!  
The Skating Council of Illinois
