

20th Annual U.S. Figure Skating Illinois Compete USA Series
July 1, 2026- June 30, 2027

2027 Illinois Compete USA Series Mission Statement

“To provide a fun and positive experience that will instill a lifelong love of skating”

During the season, skaters will have the chance to compete at different competitions and earn points for a final standing. An awards ceremony will take place where the TOP 3 skaters from each Freeskate/Program with music events will be awarded a medal. You need not be present at the season end ceremony to receive your award. If you are not present, please contact Brigitte for arrangements of the medal (\$8 mailing fee). The final award announcement will be emailed to all qualifying skaters August 2027 for the location, date, and time of ceremony.

Series Point System

The FreeSkate/Program with Music events of the Series Competitions will be eligible for accumulating points. Each event will have a maximum of 6 skaters. The system for scoring points for the final award will be as follows:

Place	Points
1	6
2	5
3	4
4	3
5	2
6	1

If an event has 2-6 skaters, points are awarded as if there were six skaters in the group. If there is only one skater in the group, he or she will be awarded three points. If last-minute changes cause groups to become larger than six skaters, then all skaters finishing lower than sixth will receive one point. All events are CJS. If a competition has a final round, only initial rounds will go toward the points. At the end of the Series, if all scores are tied, the tie will not be broken.

The following events will be offered:

July 1, 2026- June 30, 2027

Snowplow Sam

Aspire 1-4

Excel Levels: Pre-Preliminary through Preliminary Plus Well
